CO remarks: See the justification provided by the CISPR Steering Committee (CISPR/S/333/INF) (file: CISPR_S_333_INF IEV 161.pdf)

The French term and abbreviated form "RGP" have been derived from those in CISPR 32:2012, 3.1.10 and 3.2.

The proposed entry has been updated to comply with the drafting rules for terminology.
